

And so it begins...

So Purkh Women's Circle

Join Gina Garris and Ann Strong on a journey into learning, practicing and experiencing the sacred mantra *So Purkh*. Yogi Bhajan taught women to recite *So Purkh* 11 times a day to achieve mastery and to manifest God in their presence as a prayer for men. We will join together in gentle movement, the practice of *So Purkh* (36 minute meditation) and sharing in a safe, sacred circle.

No experience necessary. Just come with an open heart.
